****Amara Going Back to Mine or Yours?****

"So," said Dean, rubbing at the back of his neck. "How pissed is God gonna be that I'm dating his sister?"

"Oh, is that what we've been doing?" smirked Amara. "I think you've got that backwards; I wasn't aware we'd been on an actual date."

Dean froze with a look reminiscent of a rabbit in headlights. "I guess we could go out for dinner?" he offered

"I'm not sure you'd approve of my dining choices," Amara laughed with

a throaty chuckle that pulled deep in Dean's chest.

"Although, I'm ready for dessert," she purred, pulling Dean back down beside her.
